

BEN WEIBEL

76 1/2 Columbia Ave., Athens OH 45701

(740) 541-0544; weibel.b@gmail.com

Strengths

- A combination of creative experience and technical education provides me with a complete understanding of how the two aspects mesh. This gives me the ability to bridge the gap between developers and designers, effectively communicating between the two.

Education

- **Ohio University** – Athens, Ohio (Expected Graduation June 2011)
B.S. Electrical Engineering
Computer Science and Mathematics minors

Experience

- **Electronic Vision/Fitne** – Athens, Ohio
Flash Developer: September 2007 - June 2008
Multimedia Producer: March 2003 - June 2008
 - Programmed and maintained web applications
 - Created multimedia assets such as images, graphics and video for use in software
 - Tested software and provided quality assurance on final products
- **Ohio University Scripps Multimedia Lab** – Athens, Ohio
Assistant Lab Manager : September 2006 - August 2010
 - Configured and installed software, maintained workstations
 - Assisted undergraduate and graduate students with projects
 - Helped students troubleshoot hardware and software issues
- **Freelance Work** – Athens, Ohio
Web Design/Development: December 2004–Present
 - **Clients:**
 - Rainbow Push Organization (<http://rainbowpush.org>)
